<u>Step 7</u>

You will then be redirected to the dashboard of the HKMOOC platform. Courses will not be visible until you have activated your account. Check your institutional email and you should see an email titled as "Action Required: Activate Your HKMOOC Account" from registration@hkmooc.hk. Click on the link in the email for account activation.

Thank you for creating an account with HKMOOC!

There's just one more step before you can enroll in a course: you need to activate your HKMOOC account. To activate your account, click the following link. If that doesn't work, copy and paste the link into your browser's address bar.

https://learn.hkmooc.hk/activate/

If you didn't create an account, you don't need to do anything; you won't receive any more email from us. If you need assistance, please do not reply to this email message. Check the help section of the HKMOOC website.

<u>Step 8</u>

After clicking on the link, you should be redirected back to the HKMOOC platform with a "Success. You have activated your account." message like the following:

Success
You have activated your account.

<u>Step 9</u>

Go to the dashboard page by clicking on the link under the dropdown menu next to your username on the **top right-hand corner** of the page.
